

Advancing Healthcare Right Here at Home

Thanks to the strong Lampasas community and dedicated employees, physicians and volunteers, Rollins Brook Community Hospital has grown from two founders to over 100 employees! The hospital team is dedicated to providing the best possible healthcare, right here at home. Over the past 75 years, Rollins Brook has advanced healthcare to include:

- 24-hour Emergency Services
- State-of-the-art 16-Slice CT Scanner
- Bone Density Testing (DEXA)
- Home Care
- MRI Capabilities
- Mammography
- Physical Therapy
- Cardio-pulmonary Care
- Full-service Laboratory
- General & Same-day Surgery
- Sleep Disorders Center
