FEATURES FROM THE BIBLE

TRUTH IN SCRIPTURE

David Serves Saul

1 Samuel 16

The Lord rejected Saul but Saul still served as king. The spirit of the Lord had left him and he was tormented by a spirit of evil.

Saul's attendants suggested that Saul's servants find a harp player and have him play when the evil spirit was present and Saul would feel better. Saul agreed. One servant told about David, son of Jesse. Saul sent for David and he came and was pleasing Saul and became Saul's armor bearer also.

Whenever the evil spirit came upon Saul, David would come and play the harp and Saul would feel better and the evil spirit would leave him.
